Bring your comfy clothes for the bus ride to COLORADO!

Week 1

MONDAY

Opening Show

Welcome to Sigma Senior! We are so excited for you to be up on the mountain and to meet your counselors! We start the week by worshipping, getting to know each other, and setting the tone for the best two weeks of your life! WELCOME TO SIGMA!

Week 1

TUESDAY

Guy Night

THE BOYS! Come ready (or not) to the 2nd Annual Ute Trail Earth Ball Combine and have the time of your life with just the boys! Come ready to test your greatest undiscovered skills. We'll be examining speed, strength, vertical, and your mind for a sport... you've never played. You will be filmed and mic'd up so we never forget where you started and how far you'll go!

Week 1

WEDNESDAY

Barn Dance

It wouldn't be Sigma Senior without a Ute Trail Barn Dance and we will be dancing the night away! Bring your boots, plaid shirts, old hats, starched jeans, and giant belt buckles. Feel free to bring some bling too as it's sure to be star-studded as the night shifts from country classics to all music types with a SILENT DISCO!

Week 1

THURSDAY

1040

There are so many brothers and sisters among the nations living as Christians in ways different than ours! 10 and 40 are the latitude and longitude lines creating a box around 68 countries that hear about Jesus the least. The stories of those in these places are compelling and help us know that we serve a global God! We will acknowledge their work for the Kingdom with a night of prayer and worship!

Week 1

FRIDAY

Top of the World

A hike to Top of the World and campout on the mountain under the Milky Way and in the clouds!

Week 1

SATURDAY

Movie Night

Come and get ready for a relaxing evening of hanging out, eating pizza, board games, and pizza (yes there will be pizza)! After Friday's hike, we know you'll be ready to take a load off!

Week 2

SUNDAY

Gospel Night

We have one last day on camp so let's make full use of it with some burgers by the river, a night in the chapel worshipping, and a moment to remember the Gospel of Jesus Christ!

ZION'S CUP

Dream with me here. Trumpets blaring. Banners waving in the wind. The challenge of the year has finally made its way to SKY RANCH. ***drumroll please*** THE ZION'S CUP. The competition that surpasses all other competitions. The only things you need for this is your most epic skills and your team spirit.
